Industry Symposium
Transport and Metabolism in Drug Development

Session Speakers

Chair: Yan Zhang, Director, DMPK, Nuvation Bio, NY
Co-Chair: Jason Boer, Director, Incyte Corporation, DE

Hong Shen, Bristol Myers Squibb, NJ
Title: Interplay of Transporters and Drug-Metabolizing Enzymes in Drug Disposition and Interaction: Scientific and Industry Perspectives

Xinning Yang, CDER, FDA
Title: Title to be updated

Kenneth R. Brouwer, Ph.D., RPh., Vice President, Technology - ADME-TOX, BioIVT
Title: Title to be updated

Albert Li, In Vitro ADMET Laboratories Inc., Columbia, MD and Malden, MA
Title: Novel in vitro Human Hepatic and Enteric Systems for the Evaluation of Drug Uptake, Metabolism, and Toxicity
